

Roughneck Grace

A basic sound setup like the one below will be sufficient for the band in most situations, depending on the size of the club/room:

- PA system with 16-channel board and 3+ monitor speakers
- Sound engineer
- 3 vocal mics on boom stands
- 3 mics for amps on stands, bass can go direct
- Mics and stands or clamps to adequately mic a 4-piece drum kit

Stage setup:

- 4-piece drum kit with hi-hat and 3 cymbals
- Bass amp and bass guitar
- 2 Fender Hot Rod Deluxe guitar amps, effects, guitars
- Mandolin amplifier and electric mandolin
